TRACK and FIELD News

KNIGHTS OPEN WITH A WIN!

Congratulations to our St. Dunstan track team. The team opened with a good first-meet performance against St. Raymond, St. Cecelia, St. Pius, and St. Gregory. The Knights scored 213 points versus 105 (St. Raymond), 63 (St. Cecelia), 51 (St. Gregory) and 46 (St. Pius).

Our 5th graders also turned in a great performance just getting nipped at the line by St. Raymond. The Raymond's team won with 63 points followed by St. Dunstan (61), St. Gregory (54), and St. Pius (19). The Knights were led by John Murray's three victories and Kaylen Dalmacio's two wins. It's nothing but up from here for our fledgling Knights.

Among the upper grades, our team looked good but a bit rusty. Nothing a few good weeks of practice can't cure. Hats off to the following athletes who turned in performances good enough to earn the spots on the "All-time 5" St. Dunstan list; Vil Uikilifi (7B S.P.), Vanessa Hansen (8G 100) and Rochelle Sison (8G H.J.). As the season moves on, I expect many more to join this list.

The next week is when we work on our strides and endurance as well as relay technique. It is important to get full attendance at the practices.

This coming Sunday we are in for a good old dog fight. We are up against St. Veronica, OLA, and St. Raymond. This meet will feature 4 of the top 6 schools in the league. We will have to be on top of our game to prevail. The meet will be held at Sequoia High School in Redwood City.

Again, thanks for a good performance. Let's all have a great week at school and practice and go into Sunday strong!!!

Go Knights!!!
